

ROOM SERVICE
HOME TEXTILE

We are a company whose main objective is the quality of the finishes of our products, thus contributing to the total satisfaction of our customers, and their lasting loyalty.

We pride ourselves on producing for internationally renowned brands in the world of home textiles, working with the best and most sustainable raw materials on the market.

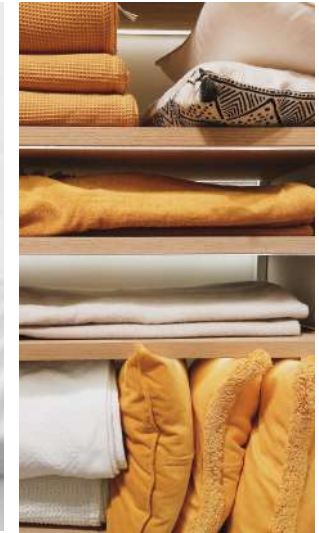

With the know-how acquired over the years, we meet the established delivery deadlines with the added value of having a rate of almost 0% in return for defective parts.

We create long-term business relationships based on perfect understanding and respect with our customers.

We are always ready to for new challenges proposed by our customers.
